KILL ME, THEN!

*KILL ME, IF YOU
REALLY THINK THAT'LL
MAKE YOUR DAUGHTER
HAPPY!!*

Dad,

Look! I got another
perfect score!

She wasn't my real daughter.

*Because in this world –
the gods' world – there's a limit
to the number of people allowed.*

*The equilibrium of this world
could be easily broken by magic, so
the limit was necessary.*

*It is incredibly
difficult to raise children to
or even have a child in this
kind of society.*

*Inevitably, there are instances in which you
come across one, as if by fate.*

*An abandoned child.
An existence rejected by someone.*

It will soon die.

Sam.

Yumi...

Yumi is my
daughter.

*DON'T TAKE THE WORLD
AWAY FROM HER!!*

...

D-Dad...

*I thought something like
this could happen. But now
that it's really happening,
it's very shocking.*

*This man... I don't
think he'll go back, even
though I told him that Yuu
is waiting for him.*

*I thought it'd
work if I convinced him.
But I guess I was
wrong.*

SFX: Drop

But I'm glad.

*I convinced it.
You're not related to these
crimes at all.*

I'm sorry.

「おれは、おれは
おれは、おれは
おれは、おれは」

!!

!!

You!

This is for all friends you betrayed.

HEAVENLY ANGELS
YOU CRAZY

OH MY ANGEL

Light!

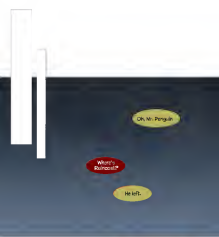

— !

PrP

Trump

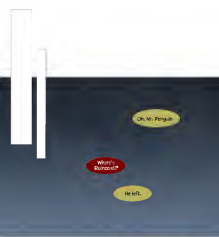

Oh, Mr. Penguin

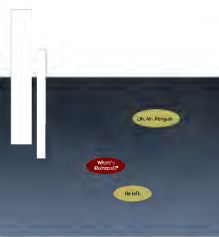

Where's
Gulnazar?

He left.

I need to find him

To stop her?

I don't know if
it's just a coincidence,
but the girl he's stalking
was wearing the same
uniform as Hyacinth.

What? You met her?

Wait, the back
it's just following
you, you idiot!

I'm a cop!

Challen says are on the
the honest saying. Not
going to follow you!

Oh

Wait!

Oh! That cop!

Wait! Wait!

What... what?

How did you...?

It's good,
you're here.

Have you seen the black
"Caterpillar" around here?

It can't be, it's
not, right?

Five holes, not cut holes, up
to five, right? Right?

Hey, answer me.

You're...

Drip

Drip

Wise, Professor.

Please go
and get Professor
Kenzie.

Of the worst
of us, I'm the only one
left. Right?

Art...

B-B-B...Kishi...

You almost died! This is
just self-defense!

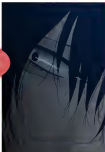

Did the other kids
say anything?

Yes...

Or perhaps you already
knew we were involved. Is that why
you want after us, the afternoon? To
cover up Yumi's wrongdoing?

What?

304111

You betrayed
your friend and left her
in danger!!

So why are you acting
so brashly?

304111

So this is how
you kill off people's friends,
one by one.

How nice

Hey? How can
you just call people
like that?

Heh, what are you doing?

You're done enough.
Let's go.

With this storm, I can
use a hundred times more
electricity than usual.

There is the slight
problem that we'll all get roasted
alive if I miss.

Well, since what comes
can far, I'll let you choose
how you want to be cooked.
Rare? Well-done? Or
maybe medium?

Your destinations
are a fairy tale

Their friendship is
outstanding. Very different
from your Fictle friendship
with Yumi.

What is that?

...and

I just got the best idea.

Give me the wife. Let's have a barbecue party.

You lunatic! There's so much rain, my Mami will probably strike everywhere!

Well, I'm grasping at straws here.

Besides, I'm definitely not letting him kill me "for Mami's sake."

FFC: Thesis

To everyone in range, please forgive me!

!!!

The arduous

There

Well here we go

Drake

to be continued...
